OPEN FOR BUSINESS 

Denmark, Norway, Sweden and Finland are open, highly sophisticated and very advanced markets with which the UK enjoys strong trading relationships.

To help you gain more insight into opportunities for UK exporters in these markets Chamber International has partnered with Sørensen, a long-established specialist agency that works closely with Chambers of Commerce throughout Scandinavia to promote trade and investment.

Sørensen’s market experts will be available at Bradford Chamber (29 June) and also at Leeds Chamber (30 June) for FREE 1 hour

assessments with local businesses.

This is a unique opportunity for innovative companies with niche products to achieve a serious market presence in some of the world's richest countries.

Described by UKTI as "the fast-track to Scandinavian business", Sørensen's specialist partners are offering one-to-one consultations and invaluable tailor-made advice to Yorkshire businesses.

Book your session now to see how your business can benefit from their 16 years experience in successfully establishing overseas business in these lucrative high value markets.

Benefits of taking part include insights into:

- Opportunity sectors
- Developing a market presence
- Planning a strategy
- Barriers to market entry
- Partnering
- Establishing an office
- Employment legislation

These free events can transform your international business performance and are open to all companies who are:

- Currently exporting and looking to develop new markets
- Employing more than 10 people
- Interested in a fast-track, tailored approach to identifying opportunities
- Looking to increase export activity in response to the downturn
